

Childcare Grant Application Form

SA Police Legacy young legatee families are usually single parent families, and the cost of childcare can be an important factor when the single parent assesses their work commitments. Childcare costs can impact on how much the single parent can work and their ability to earn income for the family. Some families do not have family or friends to help care for their children when the parent is working. The Childcare Grant provides some financial support for our younger legatee families.

SA Police Legacy young legatees are eligible to apply for this grant each year up to when they attend primary school. The grant provides up to \$1 500 per child per year and the funds will be provided as reimbursement. The grant can be claimed in a lump sum or in quarterly instalments. Copies of receipts for childcare costs need to be included in the application.

Please complete all fields, attach copy of receipt and return by email or post.
